# Thank you for your generosity.

Your gifts to Federation  
touch and change lives—  
locally, in Israel, and in  
70 countries around the world!

**This booklet is current as of August 2016.**  
If your name has been omitted, we sincerely  
apologize. Please contact Federation so that  
we can properly acknowledge you.

Federation is proud to support humanitarian and educational programs and services at home, in the Jewish homeland, and around the globe, from the “cradle to the grave.” The individuals recognized in this booklet, and those who choose to remain anonymous, are **community heroes** and through their generosity ensure that **tens of thousands of Jews** are recipients of **life-giving** and **life-saving services** on a daily basis.

**Locally**, these heroes support children with special needs, chaplaincy visits to nursing homes and assisted living facilities, financially need-based scholarships to help provide children with enriching Jewish experiences, year-round educational programs, leadership and engagement programming, and so much more!

Together with 151 Federations in North America, these heroes support the Jewish Agency for Israel (JAFI) and the Joint Distribution Committee (JDC) so that we can rescue Jews from harm’s way and provide refuge and relief for vulnerable Jews. With the dramatic growth in anti-Semitism **throughout Europe** and **around the world**, this is becoming increasingly important.

The heroes recognized in this honor roll booklet help to resettle and absorb hundreds of Jews who are leaving France, Yemen and anywhere they are not safe. They provide emotional, fiscal and physical support to **Israelis** who are victims of terror. They feed the hungry and provide medicine to elderly Jews in the former Soviet Union who would have nothing without our community’s support. The heroes in this booklet **do so much, in so many places**—all with **one gift** to the **Jewish Federation of Northeastern New York**.

We welcome you to add your name to the Honor Roll, so that the Jewish community, through Federation, can continue its commitment to “*Tikkun Olam*” (repairing the world). Please join the more than 1,000 heroes recognized in this booklet and be an inspiration to others.

---

**On behalf of the tens of thousands of people who benefit by the gift each hero gives to Federation, thank you so very much!**
