Schenectady Clergy Against Hate's mission: To bring the community together under the auspices of houses of worship; to encourage unity through prayers, songs, and talks; to highlight the diversity of faith, color, sexual-orientation, gender, backgrounds, origins in community; to draw attention that all of us are proud Americans, but not all of us feel connected to the American political system; to speak out to hate-filled rhetoric and bigotry plaguing our communities; to encourage all of us to speak in our own voices and to be acknowledged by others with respect and dignity.
